Dear Taxpayer,

RE: Important Tax Information:

Under the Federal Income Tax Law, Tempo Lithograph, Inc. must withhold taxes at the rate of 31% of any reportable payment to you unless we have on file your correct Social Security number or other taxpayer identification number.

You (as payee) are required by law to provide us (as payer) with your correct taxpayer identification number (TIN). If you are an individual, your TIN is your Social Security number. If you have not provided us with your correct TIN or a certificate indicating application has been made to obtain a TIN, Tempo will commence backup withholding at the rate of 31% of any payment that would total, or cause aggregate payment to you to total, \$600.00 or more. Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of the tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained from the IRS when your tax statement is filed.

The reverse side of this letter is the form W-9 for your response. Please complete the form and return it to our location.

Thank you for your cooperation.
